Adam thanks for the factsheet. Looks good. Just one addition. Can a statement be added as to how many public comments were received to give an idea what we are looking at and also what EPA's status is on addressing the comments? (Copying Brenda since she may know)

Also who are those listed on top? - Michael Burgess, TX, Charles A. Gonzalez, TX, Pete Olson, TX, Gene Green, TX, and Joe Barton, TX

Thanks.

Good evening,

Please take a look at this draft Issue Paper / Factsheet and provide any feedback or additions you think appropriate. The deadline for this to be in management's hands is early on Thursday of this week. Sorry for the short notice.

This is for the RA's preparations for the Congressional budget hearings that are coming up.

Thanks for your time and assistance. As always, it is appreciated.
